

DONNA LEWIS

metalclayarts@gmail.com

899, Bark Pendant with Granulation, Saturday, March 25, 5:30 pm – 8:30 pm

Materials: Bring a funky piece of bark about 3 inches by 1 inch, or use one of mine, task Lamp, magnifiers, fine long bent nose pliers, emery board, playing cards or thickness slats, clay roller, fine paint brush, small clay shaper, fine tweezers

898, Organic Silver Rings with PMC, Sunday, March 26, 8:30 am – 4:00 pm

Materials: STEPPED Ring Mandrel on a stand is the most important item for this class. Borrow from a friend if you need to. Sharing these or working with a different tool will add stress to your experience. Task lamp, magnifiers, playing cards or open ended thickness slats (the enclosed ones are too small for this use, fine long bent nose pliers for tiny granulation work, metal clay roller, fine needle tool, emery board
